### PROGRAMS AVAILABLE AT SWAN LAKE

#### Daring Ducks (kindergarten to grade 1; 1 hour; cost \$60)

Some dabble on the surface, some dive for their food - a closer look lets us explore the amazing adaptations ducks have for living on the lake and discover who's who in the duck world.

#### Falling for Fall (grade 2 to 3; 1.5 hour; cost \$90)

Includes: **Seed Scavenger Hunt** - introduces students to the variety of seeds found at Swan Lake and explores how seeds travel. **Acorns to Oaks** - shows students the development and life of our Garry oak trees through hands-on activities. **Dirt is Different** - we look at the soils of forest, the marshland and the lake - how they are the same and how they are different.

#### Wetland Discovery (grade 3 - 6; 1.5 hours; cost \$90)

Gain an understanding and record our observations of wetland environments through hands-on examination of the plants, aquatic invertebrates, birds and mammals that make Swan Lake their home.

#### Microscope Discoveries (grade 5 - 7; 1.5 hours; cost \$90)

We'll collect living material from Swan Lake, prepare specimens and learn how to properly use both dissecting and compound microscopes and record their observations. Students will also have the opportunity to examine some of their own cells.

### PROGRAMS AVAILABLE IN YOUR CLASSROOM or at SWAN LAKE

#### From Dino Bones to Indiana Jones (grade 1 to 7; 1.5 hours; in class \$120; at Swan Lake \$90)

What are fossils, how are they formed and what do they tell us about the ancient earth? We'll go prospecting, put together our own dinosaur and make a cast of a real fossil to take home.

#### Owl Program (grade 2 to 6; 1 hour; in class \$90; at Swan Lake \$60)

We'll look at the amazing world of owls through specimens, props, dissected owl pellets and owl music will teach your class about local owls. If you wish your class to dissect their own owl pellets, there is an extra fee of \$60 to cover 6 pellets and 1/2 hour additional program time. **Ce programme est disponible entièrement en français.**

#### Spider Program (grade 2 to 5; 1 hour; in class \$90; at Swan Lake \$60)

Spider dress-up, props, charts and live spiders will demonstrate the biology, the life cycle and scientific groupings of our local arachnids. **Ce programme est disponible entièrement en français.**

#### Snake Program (grade 2 to 7; 1 hour; in class \$90; at Swan Lake \$60)

Our popular travelling program comes to your classroom with charts and hands-on material - snake skins, bones and live snakes! **Ce programme est disponible entièrement en français.**

#### Bat Program (grade 2 to 4; 1 hour; in class \$90; at Swan Lake \$60)

Through story, props and specimens we'll explore the remarkable adaptations of bats to their nocturnal habitat.

**D'autres programmes sont possiblement disponible en français sur demande.**

**If you have a favourite subject you'd like us to do a program on, or an old program you like us to reprise we'll do our best to accommodate your request.**
