

“CRAFTY” SENIOR VOLUNTEERS NEEDED

To create unique hand-crafted fundraising items for the Swan Lake Christmas Hill Nature Sanctuary

Swan Lake Christmas Hill Nature Sanctuary is initiating a special project which will provide an opportunity for seniors to:

- make nature-themed, handcrafted items for sale in gift shops. The proceeds from these sales will be used to support nature education and awareness programs at Swan Lake.
- learn about birds, bees and local flora
- assist at events where families can learn how you create your crafts
- spend a few hours a week with like-minded individuals

WE NEED... TEAM LEADERS

- Seniors who would like to share their knowledge and teach their craft to other seniors

HAND CRAFTERS

- Seniors who are interested in learning a new skill and are willing to donate their time in supporting the Sanctuary

Hand craft skills and items we are looking for include:

Carpentry

- Bird houses & feeders
- Bee houses
- Garden markers
- Wood turning

Textile Arts

- Small quilted items
- Larger quilt projects

Jewellery & Glass

- Sun catchers

Paper Crafts

- Photo cards
- Dried flower cards

And any other crafts that might create small items for sale.

Funding for this project is provided through the generous support of the Government of Canada
New Horizons for Seniors Social Development Program
