

2026 City Nature Challenge

Complete an ecoquest and submit your findings to iNaturalist - you could win a prize!

ECOQUEST 1: No spine? No problem! Find 10 invertebrates.

ECOQUEST 2: Who's from here? From afar? Find 10 native species and 5 invasive species.

ECOQUEST 3: Explore the magic of nature's interactions! Find 1 symbiotic relationship, 1 animal eating, and 1 pollinator in action.

Track your findings on the back of this sheet and submit into our draw box when complete!
