

HOMESCHOOL SCIENCE

For home-
schooled
children
7-10 years

This series of four 2-hour classes is for home-learners aged 7 to 10 years. We provide nature themed programs with games, discovery and activities which encourage science based learning while socializing with other home learners. This program will take place entirely outdoors with health & safety guidelines in place.

Cost: Members: \$72 Non-Members: \$80
