

# JUNIOR Stewardship: Project Series

Stewardship is creating a sense of connection, care, and responsibility for each other and the natural world that supports us. This program is designed to engage and encourage young stewards to seek out ways to support our environment and then take action.

**Register for one class or all four! Classes will be entirely outside.**

For ages: 8 – 12 years old

**Tuesdays bi-weekly from 10:00–11:30 am**

Dates & Projects:

Oct. 13 - Lake water quality monitoring

Oct. 27 - Meadow restoration

Nov. 10 - Invasive species removal

Nov. 24 - Slope erosion prevention

**Cost: \$20/class plus a one-time suggested donation of \$5 for work gloves.**

Please call 250-479-0211 ext. 3 for more information and to register.
