

iNaturalist Photo Scavenger Hunt at Swan Lake

Easy (1 point)	Medium (2 points)	Hard (3 points)
Plant growing out of the water	Example of camouflage	A pupa or cocoon
Native Species	Symbiotic relationship	Something having a meal
Invasive Species	Fungi	Animal with more than 8 legs
Something fuzzy	Something growing on a man-made object	Something living in a shell
Something Spiky	Something yellow and black	A feather
Something really common at Swan Lake	Something purple and green	Mating behavior
Something taller than you (not a tree!)	Animal track	Animal with no legs

Take photos, using iNaturalist, of as many of these as you can in the allotted time. To receive points the target item must be visible/identifiable in the photo.

Points awarded for every correct photo as outlined in the 100chart, 1 additional point awarded for every correct ID on iNaturalist.
